PRODUCTION RACE CAR NISSAN FAIRLADY Z NISMO RC NOW ON SALE

Nissan Motorsports International, Inc. (Minami Ohi, Shinagawa-ku, Tokyo: President Shoichi MIYATANI), afterwards referred to as "NISMO", announces the release of the NISSAN FAIRLADY Z NISMO RC* (export designation: NISSAN 370Z NISMO RC). This is a production race car built up from the NISSAN FAIRLADY Z (export designation: NISSAN 370Z). The car goes on sale and orders will be accepted from October 3, 2011 on.

* RC=Racing Competition

● NISSAN FAIRLADY Z NISMO RC

This car uses Nissan's pride, the world renowned, high selling NISSAN FAIRLADY Z as its base. It has been adjusted for slick tires, its overall weight lightened and safety equipment installed to make it a top performance race car. It ran in the 2010 Super Taikyu (Super Endurance) series where it showed its superior maneuverability and reliability.

Its VQ37VHR engine puts out over 261kw (355ps) of power with over 374N·m (38.1kgm) of torque. The car comes equipped with adjustable suspension and race spec brakes to guarantee maximum equilibrium.

It is furnished with a weld-in roll cage, bucket seats, safety harness, fire extinguisher and a 95 liter safety fuel cell. The NISSAN FAIRLADY Z NISMO RC is a fully equipped, professional racing car on purchase.

For customers who are interested in doing their own custom work, NISMO offers a "PARTLESS CAR" frame which is delivered without suspension, brakes, rear wing, seats, steering wheel, fire extinguisher, tires and wheels.

The NISSAN FAIRLADY Z NISMO RC is "made to order" and must be purchased directly from NISMO. (see notes below)

● PRICE

CAR MODEL		list price
NISSAN FAIRLADY Z NISMO RC		¥12,500,000
	PARTLESS CAR	¥10,500,000

Notes:
