7	Oil Cooler Hose	9999S-RR010	B	8,400	8,000	4	Stainless steel mesh, 4m
	Oil Cooler Air Guide	21516-RN596	B	20,790	19,800	1	FRP, black (Painting is not required)
	Oil Cooler Bracket Set	21308-RN596	B	7,560	7,200	1	Includes bracket and screws

### Features

A NISMO 400R standard oil cooler with a matching oil cooler kit. A bumper with air intake and outlet ducts as well as a special air guides stabilizes oil cooling performance. The special front bumper is sold in kit form. It must be assembled before installation. The standard air conditioner can be left in place when the oil cooler is installed.

### Product Warning

- To ensure 100% performance of the oil cooler kit, installation of the special bumper is required. The oil cooler cannot be fitted in a standard bumper.

### Performance data

Test vehicle	Standard BNR33
Test course	Fuji Speedway
Out side air temperature	25°C
Average lap time	1'56"
Oil temperature	Steady at under 110°C (Temperature at main Gallery)
Continuous running time	Over 30 min.
