

# VQ35DE Engine Parts

Parts for Fairlady Z (Z33) and Skyline Coupe (CPV35)

## High-Flow Volume Fuel Pump !

Part	Part no.	Code	Price with tax	Price	Qty per car	Part information
High-Flow Volume Fuel Pump	17040-RRZ30	B	42,000	40,000	1	For Fairlady Z (Z33) Genuine fuel tank, 90→165L/h

### Features

This is a high-flow volume fuel pump for intank pump. It is a part realized by tuning of the internal orifice, which results in increased fuel intake volume (from 90 to 165L/h, at 12.0V, P=300kPa) , and increased fuel output volume.

### Product Note !

· Adjustment of the engine control unit will be required.
