Name	Part no.	Code	Price with tax	Price	QTY per car	Part Information
Performance Damper Set	544B0-RSR45	E	105,000	100,000	1	for BNR34 *1
	544B0-RSR35	E	105,000	100,000	1	for BCNR33
	544B0-RSR25	E	105,000	100,000	1	for BNR32 *2

\*1 To install on a standard BNR34 vehicle, the V-Spec front undercover (Nissan Genuine part no. 75880-AA410) and engine lower cover (Nissan Genuine part no. 75890-AA410) will be required. Please purchase them separately.

\*2 To install the performance damper (rear) on the BNR32, installation of the Nissan Motor Corp. standard rear strut tower bar (No. 55420-RNR20; order through Nissan) will be required, because of both performance and structural reasons. So please purchase it separately prior to installation.
