## NISMO Sports Resetting For MY11 NISSAN GT-R (R35) Now Available for Rent

Nissan Motorsports International Co., Ltd. (Head Office: Minami-Oi, Shinagawa-ku, Tokyo, President: Shoichi Miyatani, "NISMO") additionally launches rental service of "NISMO Sports Resetting for MY11 NISSAN GT-R (R35)" which will be available from October 18th\* at NISMO Omori Factory, NISMO Expert Shops nationwide, Nova Engineering Co., Ltd. and NordRing, certain Nissan certified shops for NISSAN GT-R.

\* Pre-order will be open from October 18th. Delivery is scheduled to begin on January 12th.

Adopting a dedicated ECM\* and dedicated TCM\* that suit the engine's characteristics of the 2011 model, NISMO Sports Resetting for MY11 NISSAN GT-R (R35) (hereinafter "Sports Resetting") provides an engine tuning menu that has implemented increasing the torque in the medium- and low-speed range using special ECM and TCM units, to deliver a complete tuning solution for engine and transmission management. With the Sports Resetting installed, you will be able to enjoy comfortable and safe sports driving on any circuit and closed course.

To improve pricing, NISMO offers a special rental fee for customers who change vehicle from 2007-2009 models with Sports Resetting to the 2011 model <sup>Note 1</sup>.

Note 1: The special rental fee is not applicable for customers who change vehicles from Spec V grade to Standard / EGOIST grade, or vice versa.

\*ECM stands for engine control module, and TCM stands for transmission control module.

In the form of rental service, the vehicle repair warranty for parts relating to installation of Sports Resetting will change to the NISMO Warranty<sup>1</sup>. By replacing the Sports Resetting with the original ECM and TCM and obtaining the required approval at Nissan High Performance Centers after the rental has ended, you can restore the Nissan Warranty (limited to within the vehicle repair warranty period) and have your car come under the NISSAN GT-R approved car system.\* The original ECM and TCM removed from your car will be kept under lock and key at NISMO during the rental period and returned to you at the end of the rental.

Note 1: The NISMO warranty is limited to within the Nissan vehicle repair warranty period. The validity of the NISMO warranty depends on the condition of the vehicle. The NISMO warranty complies with the "warranty conditions" written in Owners Manual.

Note2: You are required to meet the certifying items to have your car approved.
