## Nismo Offers NISMO N Attack Package for 2017 NISSAN GT-R (R35) NISMO

**YOKOHAMA, Japan (January 13, 2017)** - Nissan Motorsports International Co., Ltd. (Nismo) is offering the "NISMO N Attack Package," which takes the dedicated parts used by the NISSAN GT-R NISMO at the Nürburgring circuit, where it recorded the fastest time of any other volume production car, and combines them with assembly at the directly managed NISMO Omori Factory. This package will now be offered to the 2017 NISSAN GT-R(R35) NISMO and Nismo will be accepting orders from January 13<sup>th</sup>.

Dedicated carbon front fenders

Dedicated carbon rear wing

Dedicated intercooler piping for A kit

Dedicated shocks and springs

In September, 2013, at the Nürburgring circuit, the NISSAN GT-R NISMO recorded a time of 7 minutes 8.679 seconds, a time which shattered the NISSAN GT-R's own previous best time by more than 10 seconds. The exclusive parts that were outfitted to the car for this time attack were consolidated into the "NISMO N Attack Package" for the 2014 and 2015 model and have now been applied to the 2017 vehicle. With tuning targeted to achieve authentic sports driving, customers will be able to further experience the inherent performance that the GT-R is capable of.

There are two types of packages on offer in order to meet the unique needs of our customers. The complete "N Attack Package A kit" (two seat spec / Transport Bureau approval for structural changes required) which allows you to fully enjoy the same performance of the time attack car and the "N Attack Package B kit" (four seat spec) which is based on the A kit but also gives consideration to everyday use. For both the A and B kit delivery of the vehicle is received by Nismo via NHPC (Nissan High Performance Center) and, after assembly and driving tests the car will be delivered to you.

In addition, the car can also be equipped with the optional, competition exclusive parts of a dedicated carbon hood gurney and six-point seatbelt intended for use only in closed circuits

Compatible model: 2017 NISSAN GT-R(R35) NISMO (limited to vehicles registered in Japan)
